HOOPPELL, Mary thro' to 1859

COKER, John - 17 Oct 1754 Rime (?) Cauker 1581 Roger Coker 1547 (1549 1576) There is no indication as to whether the bracketed dates refer to Roger or to Elizabeth 1581. James Coker 1847,1840 1860

The title above these notes does not refer obviously to all the list of names. It seems as if George Grimshaw sidetracked into a general list of names which will be useful if we ever get round to card /computer indexing of all Ringmore names.

I take it that \* refers to pound and shillings but I am not altogether sure.

## Extract from Hingeston-Randolph's NOTEBOOK

The Manor was rearranged in 1876 and relet in larger farms, the Apportionment of the Tithes being settled as follows by Mr.L. Jno (?) Oldrieve of Bridgetown, Totnes (F.C.H.R.'s Tithebook)

			TOTAL	229.	0	0

### GLEBE

1. Mr. White at £160.0.0
2. Mr. Cumming

(Note G.C.G.) It would appear that the main change was at Higher Farm – Ash taking of land of Middle Farm and Cottage Farm and some of Lower Farm.

The above extract was taken by Dennis Collinson from George Grimshaw's Note Book. There seem to be omissions which could only be checked/rectified by reference the original Hingeston-Randolph.

DOCUMENT IN LATIN RE GEORGE REYNELL AND FRANCIS KIRKHAM

Presentation of John Edgecombe M.A. to the Rectory of Ringmore vacant by the death of George Reynell, Clerk

John Fortescue of Holbeton, Gent. & Mary his wife administratrix of Daniel Gotsius of Bigbury, Clerk (to whom advowson belongs this time(?)) by conveyance of next advowson of Francis Kirkham of Pulcourt (?), Devon, Esq. To Walter Jago, the younger, Merchant and a conveyance made by him to Daniel Getsius (?) to Jonathan (Trelawney) Bishop of Exeter.

March 6 William and Mary 1693/94

(Deeds and documents of Yonge family of PUSLINCH)

George Grimshaw may have had some difficulty in reading the original.. 'Getsius' may have been a Dutchman who came over with William and Mary. I have not been able to discover 'Pulcourt'. Dennis Collison 6/2/2012
