Against Dinah Skinner, George Grimshaw has written :

1862 - Son Richard Hannah Jane 1846 Hester Jane born 1844

1886/87 Land Tax Skinners £1 3s 4d - No mention before this

Copied from the original by Dennis Collinson : 24/4/2010 : George seems confused between the family Skinner and an area of land called Skinners. I hope this is now right it should be checked against 1841 field names.
